What will I create?
Projects that are innovative, inventive, and improve existing ideas.

What will I solve?
Problems you can design and create improved solutions.

What will I explore?
Topics that interest you and allow you to follow your passion and interests.

What will I discover?
Activities that will allow you to learn new skills, ideas, and knowledge.

What choice do I have?
Create ideas and solutions that use talents, hobbies, and curiosities for the things you love to do.

How can I make an impact?
Applying what you learn to improve our world by being creative and solving problems.
