Teams should demonstrate Core Values in everything they do. The judges are excited to see how they show teamwork, discovery, inclusion, innovation, impact, and fun as they present their Innovation Project and Robot Design work.

This is the team’s time to shine, so try to settle their nerves and encourage them. Please make sure they don’t leave anything in the judging room, including any documentation, when they leave.

**Judging Session Flowchart**

1. **Team Welcome**
   - Introductory conversation takes place as the team sets up any materials they have brought.
   - Duration: 2 minutes
