

Please note: These pages should be printed in portrait mode with no reduction in file size and on nine sheets of paper that will be joined.

For Adobe Acrobat (under the Print dialog box):

- Click the Poster button (under Page Size & Handling)
- Make sure Tile Scale is 100% with 0 inches overlap
- You can optionally click on Cut marks

For FoxIt Reader (under the Print dialog box):

- Click Tile Large Pages (under Print Handling)
- Set Page Zoom to 100% with 0.005 inch overlap
- You can optionally click on Cut Marks
