Updates & Clarifications

Updated August 1st, 2023

UPDATE 02 – SCORESHEET UPDATE – MISSION 14 – The scoresheet values of Mission 14 found on page 30/31 of the Robot Game Rulebook are incorrect and do not match those found in the mission description. The second sentence of the scoresheet should read as follows:

If a target destination has at least one audience member completely in it: 5 EACH DESTINATION

UPDATE 01 – SCORESHEET UPDATE – MISSION 13 – The scoresheet found on page 30/31 of the Robot Game Rulebook mentions the following mission constraint:

To score, team equipment may not be touching the craft machine at the end of the match.

This constraint does not exist in this mission’s description and thus should be ignored. Restated, team equipment MAY be touching the craft machine at the end of the match.
